

Presentations international congresses/ seminars

1. Reyniers T. International variation in place of death of older persons who died from dementia in fourteen European and non-European countries. 14th World Congress of the European Association for Palliative Care, Copenhagen, Denmark, 8/05/2015-10/05/2015.
2. Chambaere K. Epidemiology of palliative sedation in Belgium and the Netherlands. 14th World Congress of the European Association for Palliative Care, Copenhagen, Denmark, 8/05/2015-10/05/2015 (invited oral presentation).
3. Chambaere K, Cohen J, Deliëns L. Flemish physicians' labeling of palliative or terminal sedation: broader than guideline descriptions. 14th World Congress of the European Association for Palliative Care, Copenhagen, Denmark, 8/05/2015-10/05/2015.
4. Verkissen MN, Houttekier D, Chambaere K, Cohen J, Deliëns L. Living wills requesting euthanasia in Flanders, Belgium. 14th World Congress of the European Association for Palliative Care, Copenhagen, Denmark, 8/05/2015-10/05/2015.
5. Chambaere K. Euthanasie und palliative Sedierung: Daten aus Belgien. 4. Internationale Palliativtage, Sylt, Germany, 19/04/2015-22/04/2015 (invited oral presentation).
6. Chambaere K. Euthanasie in Belgien: Fragen und Antworten. 4. Internationale Palliativtage, Sylt, Germany, 19/04/2015-22/04/2015 (invited double workshop).
7. Ampe S & Hermans K. Palliatieve zorg bij toename van de zorgnoden. FLIECE Congres "Hoe de palliatieve zorg verbeteren in Vlaanderen. Koninklijke Vlaamse Schouwburg, Brussel, 29/01/2015.
8. Verhofstede R. Plannen van de laatste levensdagen. FLIECE congres "Hoe de palliatieve zorg verbeteren in Vlaanderen?". Koninklijke Vlaamse Schouwburg, Brussel, 29/01/2015.
9. Van Audenhove, C. (2015). Palliatieve zorg bij toename van de noden - Overzicht van beleidsaanbevelingen. Congres Hoe de palliatieve zorg verbeteren in Vlaanderen, FLIECE. Brussel, 29/01/2015-30/01/2015.
10. Van Audenhove, C. (2015). Moderator op dag 1 - Onderzoek in palliatieve zorg gekoppeld aan praktijk. Congres Hoe de palliatieve zorg verbeteren in Vlaanderen, FLIECE. Brussel, 29/01/2015.
11. Ampe S. 'we DECide': Advance care planning for nursing home residents with dementia. 24th Annual Conference of Alzheimer Europe. Glasgow, Scotland, 20/10/2014 - 22/10/2014.
12. Van Audenhove C. Supporting family caregivers of persons with dementia: a pilot-study on the impact of a psycho-educational program. 24th Annual Conference of Alzheimer Europe. Glasgow, Scotland, 20/10/2014 - 22/10/2014.
13. Spruytte N. Frameworks of care for persons with dementia and their relationship with the material environment of nursing homes. 24th Annual Conference of Alzheimer Europe. Glasgow, Scotland, 20/10/2014 - 22/10/2014.
14. Sevenants A. Thinking earlier... about later. Advance care planning for persons with dementia. 24th Annual Conference of Alzheimer Europe. Glasgow, Scotland, 20/10/2014 - 22/10/2014.
15. De Vleminck A. Barriers to advance care planning in cancer, heart failure and dementia patients: A focus group study on family physician's views and experiences. EACH (European Association for Communication in Healthcare)

- International Conference on Communication in Healthcare. Amsterdam, 28/09/2014 - 1/10/2014.
16. De Vleminck A. Early identification of palliative care needs. EACH (European Association for Communication in Healthcare) - International Conference on Communication in Healthcare. Amsterdam, 28/09/2014 - 1/10/2014.
 17. Ampe S. 'We DECide': Advance care planning for nursing home residents with dementia. EACH (European Association for Communication in Healthcare) - International Conference on Communication in Healthcare. Amsterdam, 28/09/2014 - 1/10/2014.
 18. De Vleminck A. Verbeteren van vroegtijdige zorgplanning in de eerstelijnszorg. Vlaams Congres Palliatieve Zorg. Turnhout, 23/09/2014.
 19. Beernaert K. Tasks and roles of the family physician. 20th International Congress on Palliative Care. Montreal, Canada, 9/09/2014.
 20. Beernaert K. Early identification of palliative care needs. 20th International Congress on Palliative Care. Montreal, Canada, 9/09/2014.
 21. De Vleminck A. Barriers to advance care planning in cancer, heart failure and dementia patients: A focus group study on family physician's views and experiences. 20th International Congress on Palliative Care. Montreal, Canada, 9/09/2014.
 22. De Vleminck A. Barriers and facilitators for general practitioners to engage in advance care planning: a systematic review. 20th International Congress on Palliative Care. Montreal, Canada, 9/09/2014.
 23. Verhofstede R, Smets T, Cohen J, Costantini M, Van Den Noortgate N, Deliens L. Development and pilot test of the care programme for the last days of life to improve end-of-life care in acute geriatric hospital wards: a phase 1-2 study. EUGMS, Rotterdam, Nederland, 17/09/14 - 19/09/14.
 24. Hermans K. Comprehensive geriatric assessments for nursing home residents with palliative care needs: a systematic review. World Research Congress of the European Association for Palliative Care.. Lleida, Spain, 5/06/2014 - 7/06/2014.
 25. Ampe S. Advance care planning for persons with dementia in nursing homes: effects of a training in shared decision making. World Research Congress of the European Association for Palliative Care. Lleida, Spain, 5/06/2014 - 7/06/2014.
 26. Verhofstede R. Development and Pilot Test of the Liverpool Care Pathway to Improve End-of-Life Care in Acute Geriatric Hospital Wards: A Phase I-II Trial Following the Medical Research Council Framework. World Research Congress of the European Association for Palliative Care. Lleida, Spain, 5/06/2014 - 7/06/2014.
 27. Chambaere K. Is educational attainment related to end-of-life decision-making? A large post-mortem survey in Belgium. World Research Congress of the European Association for Palliative Care. Lleida, Spain, 5/06/2014 - 7/06/2014.
 28. Chambaere K. Opioid use in the last 24 hours of life. A large-scale survey among Belgian physicians. World Research Congress of the European Association for Palliative Care. Lleida, Spain, 5/06/2014 - 7/06/2014.
 29. Cohen J. International comparative public health research on end-of-life care: Where are we now, where will we go? 8th world research conference of the European Association of Palliative Care, Lleida, Spain, 5/06/2014 - 7/06/2014 (invited speaker)
 30. Meet the experts: Development of indicators in palliative care (with Xavier Gomez-Batiste). 8th world research conference of the European Association of Palliative Care, Lleida, Spain, 5/06/2014 - 7/06/2014 (invited speaker)

31. De Vleminck A. Barriers to advance care planning in cancer, heart failure and dementia patients: A focus group study on family physician's views and experiences. World Research Congress of the European Association for Palliative Care. Lleida, Spain, 5/06/2014 - 7/06/2014.
32. Carbonelle S. Entre dispositif formel et avancée pas à pas : la mise en pratique de projets de soins personnalisés et anticipés (PSPA) en Belgique. Congrès International Francophone de Gérontologie et Gériatrie. Luik, Belgium, 14/05/2014 - 16/05/2014.
33. Carbonelle S. Entre dispositif formel et avancée pas à pas: la mise en pratique de projets de soins personnalisés et anticipés (PSPA) en Belgique. Congrès International Francophone de Gérontologie et Gériatrie.. Liège, 14/05/2014 - 16/05/2014.
34. Verhofstede R. Palliatieve zorg en omgaan met levenseinde op acute geriatrie: Implementatie van de Zorgleidraad Laatste Levensdagen. Onco-Geriatisch Symposium. Schouwborg CC De Werf, Aalst, 6/05/2014.
35. Spruytte N. The development and implementation of an integral framework of quality for the Flemish nursing homes: a process of culture change and collaborative efforts. International Conference on Integrated Care. Brussels, 2/04/2014 - 4/04/2014.
36. Hermans K. Palliative care in nursing homes: a qualitative evaluation of the content comprehensiveness and the practical usability of the interRAI Palliative Care instrument. International Conference of Integrated Care 2014. Brussels, 2/04/2014 - 4/04/2014.
37. Hermans K. Comprehensive geriatric assessments for nursing home residents with palliative care needs: a systematic review. International Conference on Integrated Care. Brussels, 2/04/2014 - 4/04/2014.
38. Hermans K. Does the use of the interRAI Palliative Care instrument improve the quality of palliative care in nursing homes? International Conference on Integrated Care 2014. Brussels, 2/04/2014 - 4/04/2014.
39. Van Eenoo L. Best practices for frail older persons and their care professionals in the European home care setting: study protocol. International Conference on Integrated Care. Brussels, 2/04/2014 - 4/04/2014.
40. Chambaere K. End-of-life decisions research in Belgium. National Research Programme 67 'End of Life' of the Swiss National Science Foundation. Sursee, Switzerland, 7/02/2014.
41. De Vleminck A. Barriers and facilitators for general practitioners to engage in advance care planning: a systematic review. FLIECE congres - Palliatieve zorg in het ziekenhuis. Gent, 13/12/2013.
42. Verhofstede R. Het gebruik van de Zorgleidraad Laatste Levensdagen ter verbetering van de zorg aan het levenseinde: een studie op geriatrie. FLIECE congres Palliatieve Zorg in het Ziekenhuis. Gent Vormingscentrum Guislain, 13/12/2013.
43. Cohen J. Equal access to end of life care and inequalities: Is a public health approach needed in palliative care policy. 3rd International Seminar of the European Palliative Care Research Centre and the EAPC Research Network. Milan, Italy, 5-6/12/2013.
44. Houttekier D. Dying in or out of hospital in Belgium: a study of incidence and risk factors using death certificate data. 6th European Public Health Conference, 2013. Brussels, Belgium, 13-16/11/2013.
45. Cohen J. Impact of national research strategies in palliative care in Belgium. National Conference for Research in Palliative Care. Palliative Care: Knowing More, Understanding Better. Bern, Switzerland, 26/11/2013.

46. Cohen J. How can we measure and monitor care? Outcomes and quality indicators made simple. Help the Hospices conference: Hospice Care: Fit for the Future. Bournemouth, UK, 21-23/10/2013. invited speaker
47. Hermans K. Opleiding: het interRAI Palliative Care instrument en de BelRAI Webapplicatie. Opleiding: het interRAI Palliative Care instrument en de BelRAI Webapplicatie. Leuven, 27/09/2013 - 8/02/2014.
48. Ampe S. Communication at the end of life of persons with dementia in residential care. Doc's Day 'Patient Related and Public Health Research' Doctoral School Biomedical Sciences (KU Leuven) (presentation: progress report of PhD-study). Leuven, campus Gasthuisberg, 18/09/2013.
49. Cohen J. Studying attitudes towards death and dying: social constructionist versus health care perspectives. 11th Death Dying and Disposal conference. Milton Keynes, UK, 4-8/09/2013.
50. Van Steenwinkel I, Van Audenhove Ch, Heylighen A. In case of dementia: orientating in an (e)motional way. International and Interdisciplinary Conference on Emotional Geographies. Groningen, The Netherlands, 1/07/2013 - 3/07/2013.
51. Wellens N. Implementation of an eHealth system incorporating the interRAI Suite: Opportunities and challenges for hospitals. IAGG World Congress of Gerontology and Geriatrics. Seoul, Korea, 23/06/2013 - 27/06/2013.
52. Chambaere K. Forgoing artificial nutrition or hydration (ANH) at the end of life in Belgium. 13th World Congress of the European Association for Palliative Care, Prague, Czech Republic, 30 May – 2 June 2013. Prague, Czech Republic, 1/06/2013.
53. Declercq, A. The Use of interRAI Assessment Suites at a National Level: Challenges and Tribulations. World Congress on Integrated Care. Singapore, 7-8/11/2013.
54. Declercq, A. Introducing interRAI for acute, home and long term care. The Belgian experience. Péče orientovaná na pacienta v geriatrii. Využití systému interRAI v akutní, domácí a dlouhodobé péči v mezinárodním kontextu (Patiëntgerichte zorg in de geriatrie. Het gebruik van InterRai in acute, thuis- en langdurige zorg in een internationale context). Czech Medical Association J. E. Purkyne. Prague, 18/09/2013.
55. Reyniers T. What justifies a hospital admission at the end of life? Perspectives of family physicians and nurses. EAPC 2013 13th World Congress of the European Association for Palliative Care. Czech Republic (Prague), 31/05/2013.
56. Cohen J. Assessing the Quality of Palliative Care Using a Quality Indicator Set. 13th Congress of the European Association for Palliative Care. Prague, Czech Republic, 30/05/2013 - 2/06/2013.
57. Leemans K, Cohen J, Van Den Block L, Vander Stichele R, Francke AL, Deliens L. Quality indicators in palliative care: evaluating the bio-psycho-social-spiritual module of the Q-PAC indicator set, 13th world congress of the European Association for Palliative Care, Czech Republic, Prague, 30/05/2013-02/06/2013.
58. De Vleminck A. Barriers and facilitators for general practitioners to engage in advance care planning: a systematic review. 13th World Congress of the European Association for Palliative Care. Prague, Czech Republic, 30/05/2013 - 2/06/2013.
59. Houttekier D. Hospital death of people with dementia and pneumonia in Belgium: study of incidence and risk factors using death certificate data. 13th World Congress of the European Association for Palliative Care. Prague, Czech Republic, 30/05/2013 - 2/06/2013.

60. Houttekier D. Hospitalizations of nursing home Residents with dementia in the last month of life: results from a nationwide study. 13th World Congress of the European Association for Palliative Care. Prague, Czech Republic, 30/05/2013 - 2/06/2013.
61. Declercq A. What can we learn from Finnish elderly care? Nabeschouwing op de presentatie 'Meeting the needs of the ageing population - InterRai in Finland' door Prof. dr. Harriet Finne-Soveri. Leuven, Belgium, 23/04/2013.
62. Leemans K. Kwaliteitsindicatoren voor de palliatieve zorg services in Vlaanderen. FLIECE Zorgcongres Lucas. Leuven, 18/04/2013.
63. Hermans K. InterRAI Palliative Care: een comprehensief geriatrisch beoordelingsinstrument voor palliatieve zorg. Zorgcongres FLIECE - LUCAS KU Leuven: Zorgen voor morgen? Goede palliatieve zorg in woonzorgcentra begint vandaag!. Leuven, 18/04/2013.
64. Reyniers T. What justifies a hospital admission at the end of life? - Perspectives of family physicians and nurses. First Care Congress of the FLIECE Consortium. Leuven, Belgium, 18/04/2013.
65. Deliëns L. Slotwoord, Zorgen voor morgen? Goede palliatieve zorg in woonzorgcentra begint vandaag! FLIECE congres. Katholieke Universiteit, Provinciehuis, Leuven, 18/04/2013.
66. Van Audenhove Ch. Ik beslis, jij beslist, wij beslissen... Keuzes maken in de zorg rond het levenseinde voor personen met dementie. Workshop op het eerste Fliecezorgcongres: 'Zorgen voor morgen? Goede palliatieve zorg in woonzorgcentra begint vandaag!' . Leuven, Belgium, 18/04/2013.
67. De Vleminck A. Barriers and facilitators for general practitioners to engage in advance care planning: a systematic review. Zorgcongres FLIECE - LUCAS KU Leuven: Zorgen voor morgen? Goede palliatieve zorg in wooncentra begint vandaag!. Leuven, 18/04/2013.
68. Van Eenoo L. The involvement of the general practitioner in an interRAI assessment for the care of elderly in Flemish nursing homes and home care: an explorative study. International Conference on Integrated Care. Four challenges of integrated care. Berlin, Germany, 11/04/2013 - 12/04/2013.
69. Deliëns L. Advance Care Planning and nursing homes. Relevant research, experiences, comments and possible collaboration. University of Oslo Hospital, Norway, 5/03/2013.
70. Cohen J. Dying in place. Insights from international studies. Plenary lecture at the Hospice New Zealand 20th palliative care conference, Auckland, New Zealand, 14-16/11/2012
71. Cohen J. Quality indicators for palliative care. Hospice New Zealand 20th palliative care conference, Auckland, New Zealand, 14-16/11/2012
72. Cohen J. Dying in place. Insights from international studies. As part of the workshop: Can this patient die comfortably at home? Knowing the risks and what helps. 8th NCRI Cancer Conference, Liverpool, UK, 4-7/11/2012.
73. Cohen J. International patterns in place of death. 2nd Research Seminar of the European Association for Palliative Care Research Network (EAPC RN), Ghent, Belgium, 18/10/ 2012.
74. Wellens N. The use of the BelRAI-system as software for comprehensive geriatric assessment in acute hospitals: Opportunities and threats. European Geriatric Medicine: vol. 3 (Suppl. I). Congress of the EUGMS. Brussels, Belgium, 26/09/2012 - 28/09/2012.
75. Devriendt E. BelRAI software for standardized data exchange between geriatric health care organizations. European Geriatric Medicine: vol. 3 (Suppl. I). congress of the EUGMS. Brussels, Belgium, 26/09/2012 - 28/09/2012.

76. Pasman R. Discontinued communication about wishes to die after a request for euthanasia is refused. Qualitative interviews with patients, relatives and physicians. EACH International Conference on Communication in Health Care, 2012 . St. Andrews University, Scotland, 4/09/2012 - 7/09/2012.
77. De Rooij I. Living with dementia in small-scale and traditional long-term care settings in the Netherlands and Belgium. BSG Congress. Keele, United Kingdom, 12/07/2012 - 12/07/2012.
78. Smets T. Control mechanisms in legalised euthanasia. 11th World Congress of Bioethics.. Rotterdam, the Netherlands, 26/06/2012 - 29/06/2012.
79. Chambaere K. Effects of legalised euthanasia: down the slippery slope? 11th World Congress of Bioethics. Rotterdam, the Netherlands, 26/06/2012 - 29/06/2012.
80. Declercq A. Towards integrated care with the interRAI-instruments: the Belgian approach. Seminar: How to improve long-term care for older persons through learning from other countries. Oulu, Finland, 13/06/2012 - 13/06/2012.
81. Declercq A. Towards integrated care with the interRAI-instruments: the Belgian approach. Conference of National Institute for Health and Welfare (THL). Helsinki, Finland, 11/06/2012 - 11/06/2012.
82. Declercq A. A conceptual model for an integrated interRAI system. InterRAI full meeting. Helsinki, Finland, 9/06/2012 - 11/06/2012.
83. Beernaert K. Differences in extent and timing of referrals to palliative care services between patients with cancer, organ failure and dementia. 7th World Research Congress of the EAPC. Trondheim, 7/06/2012 - 9/06/2012.
84. Vandervoort A. Nursing home residents dying with dementia in Flanders, Belgium: a nationwide post-mortem study on clinical characteristics and quality of dying. Oral presentation in poster discussion session at the 7th World Research Congress of the EAPC. Trondheim, 7/06/2012 - 9/06/2012.
85. Cohen J. The social construction of death. An approach of a quantitative researcher. International intensive workshop on the Social Construction of Death. Brussels, Belgium, 30/05/2012.
86. Declercq A. Using the InterRai suite of instruments in a multilingual context: the Belgian experience (keynote). RAI Canada Conference. Vancouver, Canada, 8/05/2012 - 10/05/2012.
87. Leemans K. Quality indicators: measuring quality of end of life care, an example from Belgium. Indexes, indicators and scales: how to measure quality at the end of life?. Paris, 4/05/2012 - 4/05/2012.
88. Ampe S. Communicatie bij palliatieve zorg voor personen met dementie in woonzorgcentra. 8e Vlaams-Nederlands onderzoeksforum palliatieve zorg. Rotterdam, Nederland, 23/03/2012 - 23/03/2012.
89. Reyniers T. Ongepaste en vermijdbare hospitalisaties aan het levenseinde – een onderzoeksprotocol. 8e Vlaams-Nederlands Onderzoeksforum Palliatieve Zorg. Rotterdam - Arminius, 23/03/2012 - 23/03/2012.
90. Van Audenhove C. Sessie C - Onderzoek in ontwikkeling. 8e Vlaams-Nederlands Palliatieve Zorg Vlaanderen. Nederland, Rotterdam, 23/03/2012 - 23/03/2012.
91. Cohen J. Improving user involvement in end-of-life care: the need for a public health approach. *Perspective on Ageing. High level conference on health and longterm care*, Joensuu, Finland, 19-21/03/2012.
92. Declercq A. The BelRAI Model for integrating acute hospitals, nursing homes and home care, interRAI. Presentation at RBC Global Summit. Toronto, Canada, 8/11/2011 - 11/11/2011.
93. Deliens L. Documented advance care planning among nursing home residents with dementia in Belgium: prevalence and associated outcomes. 9th

- Asia/Oceania Congress of Geriatrics and Gerontology in Melbourne. Australia, 23/10/2011 - 27/10/2011.
94. Declercq A. The interRAI instruments in Belgium. Torun Long-Term Care Days. Torun, Poland, 18/09/2011 - 20/09/2011.
 95. Deliens L. Palliative care for patients with dementia. 15th International IPA Congress, Reinventing Aging through Innovation, Care/Research/Technology. The Hague, The Netherlands, 6/09/2011 - 9/09/2011.
 96. Pardon K. Expressed wishes for euthanasia and incidence of end-of-life decisions in advanced lung cancer patients: a prospective study in Flanders, Belgium. 14th World Conference on Lung Cancer, Amsterdam, 4/7/2011. Amsterdam, 4/07/2011.
 97. Pardon K. Changing preferences for information and participation in the last phase of life: a longitudinal study among newly diagnosed advanced lung cancer patients. 14th World Conference on Lung Cancer, Amsterdam, 4/7/2011. Amsterdam, 4/07/2011.
 98. Declercq A. interRAI and the iAC-instrument in Belgium. interRAI Network of Excellence in Acute Care Conference. Nuremberg, Germany, 20/05/2011 - 21/05/2011.
 99. Beernaert K. Differences in referrals: cancer, organ failure and dementia. PRC and EAPC RN. Ghent, 18/10/2012 - 19/10/2012. Reyniers T. Measuring Avoidable and Inappropriate Hospitalizations at the end of life - A Research Protocol of the FLIECE-study. 2nd International Seminar of the PRC & EAPC RN. Ghent, 18/10/2012 - 19/10/2012.
 100. Verhofstede R. Study protocol for a cluster randomized trial to evaluate the influence of the Liverpool Care Pathway on end-of-life care in acute geriatric hospital wards in Flanders. 2nd International Seminar of the PRC & EAPC RN. Ghent, 18/10/2012 - 18/10/2012.
 101. De Vleminck A. Improving advance care planning in primary care: a research design for the development of a complex intervention. 2nd International Seminar of the PRC and EAPC RN. Ghent, Belgium, 18/10/2012 - 19/10/2012.
 102. De Vleminck A. Barriers and facilitators for general practitioners to engage in advance care planning: a systematic review. 2nd International Seminar of the PRC and EAPC RN. Ghent, Belgium, 18/10/2012 - 19/10/2012.
 103. Leemans K. Towards a standardized method for developing quality indicators for palliative care. PRC and EAPC RN. Ghent, 18/10/2012 - 19/10/2012.
 104. Vandervoort A. Nursing home residents dying with dementia in Flanders, Belgium: a nationwide study on clinical characteristics and quality of dying. 2nd International Seminar of the PRC & EAPC RN. Ghent, 18/10/2012 - 19/10/2012.
 105. Van Uden N. Quality of care and quality of dying of nursing home residents with dementia, as judged by next of kin: A comparison between Flanders and the Netherlands. 7th World Research Congress of the European Association for Palliative Care, Trondheim, Norway, 8/06/2012 - 9/06/2012.
 106. Chambaere K. Age-based disparities in end-of-life decision making in Belgium. 7th World Research Congress of the European Association for Palliative Care. Trondheim, Norway, 7/06/2012 - 9/06/2012.
 107. Smets T. Sex-based disparities in end-of-life decision-making in Flanders, Belgium. 7th World Research Congress of the European Association for Palliative Care. Trondheim, Norway, 7/06/2012 - 9/06/2012.
 108. De Vleminck A. Improving advance care planning in primary care: a research design for the development of a complex intervention. 7th World

Research Congress of the European Association for Palliative Care.
Trondheim, Norway, 7/06/2012 - 9/06/2012.

109. Reyniers T. Measuring avoidable and inappropriate hospitalizations at the end of life - a research protocol of the FLIECE-study. 7th World Research Congress of the European Association for Palliative Care. Trondheim, Norway, 6/06/2012 - 9/06/2012.
110. Leemans K. Towards a standardized method for developing quality indicators for palliative care. 7th World Research Congress of the European Association for Palliative Care. Trondheim, Norway, 7/06/2012 - 9/06/2012.
111. Verhofstede R. Study protocol for a cluster randomized trial to evaluate the influence of the Liverpool Care Pathway on end-of-life care in acute geriatric hospital wards in Flanders. 7th World Research Congress of the European Association for Palliative Care. Trondheim, Norway, 7/06/2012 - 9/06/2012
112. Vandervoort A. Advance directives and physician's orders in nursing home residents dying with dementia in Flanders, Belgium: prevalence and associated outcomes. Reinventing aging through innovation. International Psychogeriatric Association, IPA . Den Haag, 9/06/2011.
113. Leemans K. Development of quality indicators for palliative care in Belgium. EAPC 2011. Lisbon, 9/06/2011 - 11/06/2011.
114. Leemans K. How research and palliative care practice can successfully interact: an example from a project to develop quality indicators. EAPC 2011. Lisbon, 9/06/2011 - 11/06/2011.
115. Pardon K. Preferred and actual involvement of advanced lung cancer patients and their family in end-of-life decision-making. 12th Congress of the European Association for Palliative Care, Lisbon, 19/05/2011.

National and other presentations

1. Van Audenhove, Ch. 'Vroegtijdige zorgplanning voor personen met dementie in een WZC'. Interuniversitaire Permanente Vorming 2014-2015 Management en Beleid Gezondheidszorg. Residentiële cursus "De residentiële ouderenzorg op een keerpunt", Brugge, 23/01/2015-24/01/2015.
